Dear Parents/Guardians

## RE Y11 HALF TERM REVISION

A programme of revision will take place over February half term to support our Year 11 students in preparing for their summer examinations. A range of different subjects are available and timings differ from session to session. Places are limited in order to ensure the learning environment is productive. Students should see the teachers listed below to ensure their name is added to the attendance list. Bookings will close on Friday 15 February.

Students will not be expected to attend in uniform. They will need to bring their own refreshments as there will be no catering facilities available over the holiday.
