

Excellence for all

July 2019

Dear Parents/Guardians

RE SPORTS DAY - TUESDAY 16 JULY 2019

As part of our continued development of all students at Humberston Academy, we are holding our annual whole school Sports Day at King George V Stadium, Weelsby Road, Grimsby, on **Tuesday 16 July 2019**. This will be attended by all students and staff, with results going towards the House competition. We hope that as many students as possible will actively take part in the many events organised. Students and parents/guardians are respectfully reminded that this is a **compulsory school day** to which all students are expected to attend.

The organisation for the day is as follows:

- All students to arrive at King George Stadium at the normal school time of 08:30, in PE kit (regardless of whether they are competing or not). The kit should be:
 - Trainers/spikes
 - Red Humberston PE Shirt
 - Black shorts

The students that usually come to school from the surrounding villages will be dropped off at the stadium by the minibus driver.

- Students will register in their tutor groups
- At 14:45 all students will leave from the stadium and make their own way home
- Throughout the day, students will require food and water and, depending on the weather, the following items:
 - warm/waterproof clothing
 - sun cream
 - a hat
- A presentation of individual and House awards will be made before the students are dismissed
- For any student unable to get to the Stadium, a shuttle bus will be running from the Academy to King George V Stadium, available before 8.30am, as well as the return run from the Stadium to Humberston Academy after the event.

There will be an opportunity for you to come along and support your child at this event, with a designated area for spectators. For safeguarding procedures, all spectators must sign in, naming the student they are watching, on the forms next to the stand. Spectators must remain in their designated area at all times. When you are leaving please sign out. We also ask that no video or pictures are taken on the day due to the safeguarding of all our students. As a school we try to ensure the safety of all students and I thank you for your co-operation with this procedure.

Yours sincerely

Mr B Smith
